

Assembly instructions

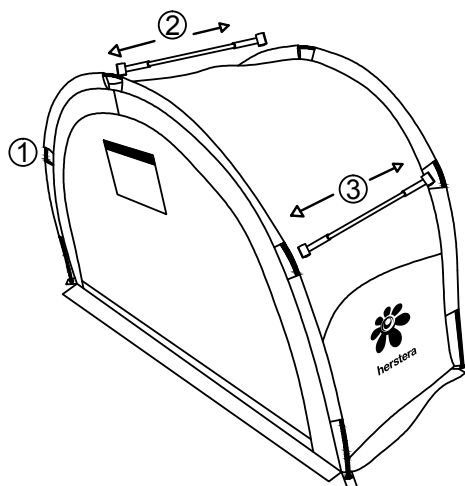

Step 1. Check the cover and accessories, and then connect the poles

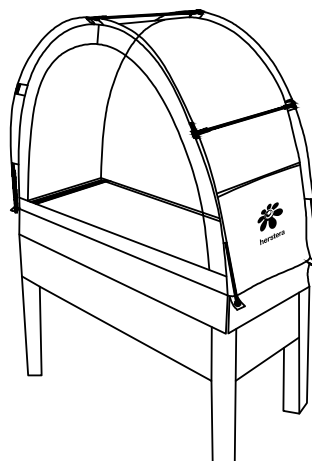

Step 2 . Insert the two poles into the sleeves

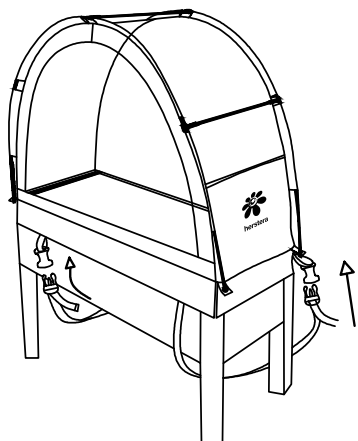

Step 3. Fix 3 horizontal bars onto the top

Step 4. Fix the cover onto the table and place the two inner webbings on the table to prevent the cover from falling.

Step 5. Pull each of the webbings beneath the table, and tighten it with a buckle so as to fix the cover tightly onto the table

Step 6 . Velcro the corners and tidy up the cover
